

The Parade of Lights

Every year in early December we gather to celebrate the Parade of Lights where many different conveyances (anything on wheels will qualify) get decorated with Christmas finery and parade up Fernhill road to the mall parking lot where astute judges pick a winner for the best decorated conveyance. The parade will follow the same route as the Fall Fair parade. Details are: - parade marshalling 6:00; -start time 6:30; Parade ends in the mall parking lot. As usual there will be ferries and elves around with hot chocolate and other goodies.

Due to a change in the arrival of the Santa Ship there is a change of date for the Parade of Lights this year. **DECEMBER 8, 2018 IS THE CHOSEN DATE.**

Mark your calendars and come out to support our well-lit neighbors (pun intended).
